

KGP Co Manufacturers

KGP Co is one of the largest single source solutions providers for the communications industry in North America. We provide value-added supply chain solutions for communications equipment and integrated solutions serving the wireline, wireless, broadband, infrastructure, cable, utility, and enterprise markets. With a diverse and valued customer base, a national logistics network, and a portfolio of manufacturer partnerships that is second to none, KGP Co is well positioned to provide unique products and services to increase competitiveness and deployment efficiencies.
