

Transferring Digital Tickets

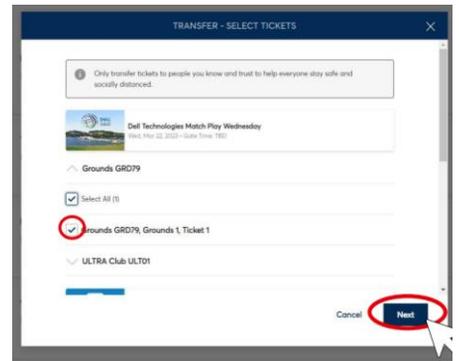

You will have the ability to bulk send tickets from the “My Events” Page by Clicking “Transfer”

Instructions:

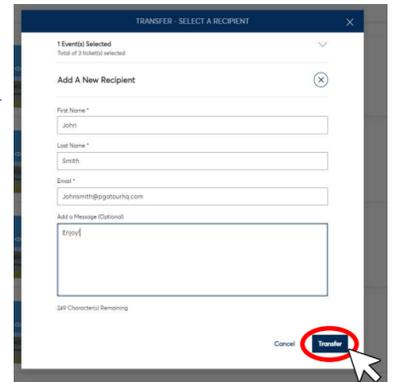

1. Sign-in to your Dell Technologies Match Play Account Manager Page, under “My Events”
2. Select each day you wish to send and then click “Next”

3. Select the Ticket(s) you want to send for the selected day and click the “Next” button below.

4. Then, type in the information of the person you want to transfer the tickets to. You may include an optional message at the bottom if you wish. Click “Transfer”

5. You will get a confirmation on the screen as well as via email. You will be notified when the tickets are accepted.

Please note: Once the recipient accepts the tickets, they will no longer be available in your account. If for some reason the recipient cannot attend, or you need the ticket back, the Recipient will need to follow the Transfer steps to send the tickets back to your account.
