

PROMOTION

# Essential Tools for a Fiber Rich Network Up to 57% off MSRP

Take advantage of BIG cost savings on select VIAVI test tools and bundles TODAY!

For a limited time, VIAVI and our Resellers are offering special discounts off MSRP on the products and bundles below. This offer allows you to save on your fiber testing needs. Don't forget to ask your Reseller about [Section179.org](http://Section179.org) tax savings!

## Eligible Products

Handheld OTDR  
SmartOTDR

Smart Pocket Power Meter  
& Light Source  
PON/XGS-PON

Power Meter  
with Fiber Inspection  
PON/XGS-PON

Fiber Scope  
FiberChek Probe

xWDM Optical  
Channel Checker  
T-BERD 2000

Modular Bi-directional  
Fiber Tester  
T-BERD 4000

Contact us today to learn more about pricing details and discounts.

### Terms and Conditions:

- Discounts subject to specific products/bundles
- VIAVI reserves the right to withdraw this promotion at any time, without notice and without any liability.
- All purchases shall be subject to terms and conditions available at [www.viavisolutions.com/terms](http://www.viavisolutions.com/terms)

## Eligible Products and Bundles

Part Number	Description	Product	Complimentary Products	Applications
STOTDR-PLUS-I-APC	Portable/handheld OTDR 1310/1550nm, 35/37dB, APC, Broadband Power Meter	 <b>SmartOTDR</b>	Fusion Splicer, DF, Fiber Cable	Point-to-Point fiber test, short distance (up to x km), OTDR trace, Loss test
STOTDR-PREMIUM-IM-APC	Portable/handheld OTDR 1310/1550/ F1650nm, 40/40/41dB, APC, Broadband Power Meter, VFL			Point-to-Point fiber test, Point-to-Multi Point, PON/FTTx, OTDR trace, loss test, in-service test / out of band test (@1650nm)
STOTDR-PREMIUM-I-APC	Portable/handheld OTDR 1310/1550nm, 40/40dB, APC, Broadband Power Meter, VFL			Point-to-Point fiber test, Point-to-Multi Point, PON/FTTx, OTDR trace, loss test
2303/41	Handheld optical light source, 1310/1490/1550nm, SM FC mounted	 <b>OLS-37 PON</b>	Inspection / OTDR / Light source	PON construction, light source, loss test
2302/22	Handheld Optical Power Meter for PON, XGS-PON 1490/1577nm APC/ SC connector mounted, FC enclosed	 <b>OLP-37X PON</b>		PON, XGS-PON installation, maintenance, construction, power measurement, loss test
2305/66	OLP-87 selective power meter for B-PON, E-PON, G-PON and 10G PON, such as XG-PON and 10G-E-PON networks	 <b>OLP-87X PON</b>		PON, XGS-PON installation, maintenance, construction, power measurement, loss test
FIT-FC-KIT3	Wireless Fiber Scope including WiFi and Fiber Tips for LC/PC SC/PC and SC/ APC Case	 <b>FiberChek Probe</b>	Power Meter / OTDR	Inspection and troubleshooting of fiber optic networks
TB2-DWDMOCC-P1W	T-BERD 2000 mainframe w/ WiFi, OCC 4056C DWDM Channel Checker w/SFP bay	 <b>T-BERD 2000</b>	Inspection, OTDR	DWDM Optical channel checker, testing channel power and drift and Tune SFPs
TB4K-FCOMPO-VB03	T-BERD 4000 mainframe with FiberComplete, Bi-Dir LTS/OTDR 1310/1550nm	 <b>T-BERD 4000</b>	Inspection	Optical loss test set w/ integrated OTDR for Bi-Directional (BIDR), Loss, IL/ORL, IL/BIDIR ORL, OTDR,
