

# Manufacturers Reference Guide

KGPCo is one of the largest single source solutions providers for the communications industry in North America. We provide value-added supply chain solutions for communications equipment and integrated solutions serving the wireline, wireless, broadband cable, utility, and enterprise markets. With a diverse and valued customer base, a national logistics network, and a portfolio of manufacturer partnerships that is second to none, KGPCo is well positioned to provide unique products and services to increase competitiveness and deployment efficiencies.

**KGPCo has long-standing partnerships with over 2,500 suppliers focused on delivering value to our Customers. For more information about KGPCo's product portfolio and service offerings call 800.328.5142 or visit [www.kgpcoco.com](http://www.kgpcoco.com).**
